

Pest Control Service Resident Request:

Keeping a home free from infesting insects or critters is a task that requires teamwork from the residents (you) and pest control professionals (us).

In order for us to do our part, we have a few small tasks that we ask residents to have completed the day of service, *before* our arrival!

Take these few steps:

- **Take out any/all trash.**
- **Put away any/all loose food. If it is *not* in a can, box, or sealed container, it can go in the fridge until our service is complete.**
- **Pets need to be contained to a bedroom upon arrival.**

Our service is completely safe for you and your family, so no one needs to leave the day of service.

If you have any questions, feel free to contact us: (812)339-3960

Thank you!
